

## ONE EXAMS FOR RIVER JOB

Work of improving the upper Mississippi river is to be started in earnest next spring and traffic will be resumed by establishing packet lines between St. Louis and St. Paul.

A non-educational civil service examination is to be held at the United States engineer's office in Rock Island federal building, Jan. 1, 1921, for replenishing the lists of registered positions in connection with the work of improving the upper Mississippi, its tributaries and other localities.

These positions include inspectors, overseers, foremen, masters, mates, pilots, steam and gasoline

engineers (requiring licenses), surveyors (transitmen, levellers, etc.), redmen, chainmen, etc.), all mechanical tradesmen and helpers, apprentices to mechanical trades, brakemen, bridge tenders, cable splicers, car repairers, cement tasters and cement workers, concrete finishers, cranesmen, dredge engineers (dipper and hydraulic), dredge runners, electricians, engineers (not licensed by the steamboat inspection service), firemen (marine and stationary), handymen, joiners, linemen, lock masters, lockmen, oilers, powdermen, stevedores, shipkeepers, strikers, switchmen, trackmen, watchmen, and similar positions.

Parties desiring and able to fill any of the above positions are solicited to apply in time for examination papers which are to be filled out by them and returned here for filing not later than Dec. 15.

It is urgently requested that applications for the above positions be received.

For examination papers and information apply to J. B. Corken, acting secretary local board of examiners, United States engineer's office, postoffice.

## SULPHUR EASES PILES AT ONCE

Almost Instant Relief and at Very Small Cost.

The moment you apply a little Menthosulphur the itching, irritation and bleeding stops. Don't continue to suffer because quick relief awaits you.

Any druggist will supply you with a small jar of Menthosulphur. This seems to soothe, heal and dry up the trouble quicker than anything else.

## ILLINOIS CITY

(Special Correspondence.)

A large crowd attended the funeral of Peter Sedam, who passed away at Grand Falls, Mont., at the home of his daughter, Jennie Casato, Wednesday afternoon. Mr. Casato accompanied the body to Illinois City. Mr. Sedam was in poor health several years. He was past 80 years old and a veteran of the Civil War. The Ladies of the Grand Army circle had charge of the services. Rev. Bowman of the Illinois City Methodist church was

the officiating minister. Interment was in Illinois cemetery.

Rev. Otto Norman and wife moved by auto truck from Louistown, Ill., Tuesday to their new charge at the Methodist church. They are living in the basement of the church at present, as the painters have not entirely finished varnishing the interior of the new parsonage.

Mrs. Clara Schmidt is visiting her cousin, Mrs. Ernest Murdock, and family this week.

Warren Sedam of near Davenport, Iowa, came down Wednesday to attend the funeral of his father, Peter Sedam.

Mrs. Amelia Becker of near Hazel Dell, Ill., passed away at her home Thursday morning at 11 o'clock. Her husband passed away about six months ago. No funeral arrangements have been definitely made.

The Modern Woodmen Thursday evening gave a supper for the members and families.

William Thomas will hold a public sale of farm implements and

other articles Friday, Nov. 26, at his farm, two miles east of Illinois City.

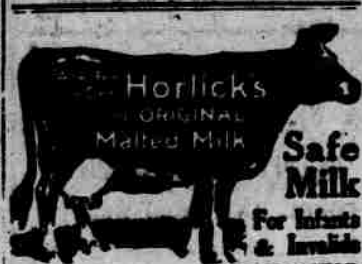

**REMEMBER**

There is only one Deltanet and that is made by the A. G. Abraham company, Moline. Be wise.

**FERTILIZING AT COST.**

Chester, Ill.—With the completion of the rock-crushing plant at the south Illinois penitentiary here, which will come from the new rock-crusher at the penitentiary will be sold at cost. It is announced by state officials in charge.

acid that clover cannot be grown and heretofore manufacturing limestone has been done privately and at a profit. The limestone which will come from the new rock-crusher at the penitentiary will be sold at cost. It is announced by state officials in charge.

In serving Libby's Evaporated Milk with coffee, there is a tendency to use more than is necessary. Because of its unusual richness it sinks to the bottom of the cup and therefore does not color your coffee quickly unless you stir it while pouring.

**Hot, fragrant coffee**

—tastes better than ever—when you serve it with Libby's Evaporated Milk! It is richer, creamier. Your family will notice it, will want a second cup. Order a supply of Libby's Evaporated Milk from your grocer today—learn what a difference it makes.
